Internship Certificate

This is to certify that **Mr. Shivam Jaiswal** successfully completed his internship as a Research Intern at the Indian Institute of Management (IIM) Mumbai from 20th April 2025 to 20th July 2025 under my guidance.

During his internship, he worked on a research project titled ***“Predicting Post-IPO Stock Price Movements Using Machine Learning.”***

His work involved developing and evaluating machine learning models such as Random Forest, Neural Networks, and Regression techniques; automating data extraction workflows through web scraping and PDF parsing; and conducting statistical analyses to evaluate model performance.

Mr. Jaiswal exhibited diligence, technical proficiency, and a strong analytical approach throughout the internship. His contributions were valuable to the research team and reflected a commendable understanding of data science and financial analytics.

We wish him continued success in his future academic and professional pursuits.
